

KENNEBEC VALLEY COMMUNITY COLLEGE IS OFFERING FREE IT BOOT CAMPS FOR VETERANS STARTING OCTOBER 1ST—

Kennebec Valley Community College—Maine is IT!, is proud to offer Free IT Boot Camps for Veterans starting October 1st. Keeping up with technology is a battle industry, employers, and many others face everyday. Knowing more about technology and how computers are built, configured, and networked is an important step in preparing for today's IT workforce.

JOIN US FOR ONE, OR MORE, OF THE FOLLOWING FREE IT BOOT CAMP SESSIONS:

Session 1: Saturday, October 1st—8am to Noon

Computer System Build—Veterans will learn how to build, configure, and test a complete desktop computer system using modern state-of-the-art equipment.

Session 2: Saturday, October 29th – 8am to Noon

Operating Systems – Veterans to learn how to install, setup and configure Microsoft Windows 10 and explore its tools and utilities.

Session 3: Saturday, November 19th – 8am to Noon

Operating Systems – Veterans will learn, using virtual technologies, how to run and configure Linux and Mac OSX devices and explore tools and utilities.

Session 4: Saturday, December 10th – 8am to Noon

Network Management – Veterans will learn how to build and configure a small network as well as how to complete the installation and certification of its copper and fiber.

TO REGISTER FOR ANY OF THESE SESSIONS, PLEASE CALL **CARRIE DIONNE AT (207)453-5815** OR SEND AN EMAIL TO:

CDIONNE@KVCC.ME.EDU SEATING IS LIMITED SO REGISTER TODAY!

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This program is funded by a \$13 million grant from the U.S. Department of Labor, Employment & Training Administration. This is an Equal Opportunity/Affirmative Action program, adaptive equipment will be provided upon request to individuals with disabilities.

"We live in a world that's technology driven and knowing how technology is used and its capabilities can improve the way we live and do business ,"

-Michael Campbell, CSI Instructor

"The need is evident and it's clear, the integration of technology in the workplace is here."

William Dolan, AECT Instructor & Principle Investigator for the Maine is IT! Project
