Wednesday, April 22 nd	on streets west of Madison Ave
Thursday, April 23 rd	on streets east of Main Street
Friday, April 24 th	on streets east of North Ave
Monday, April 27 th	on streets between North Ave and Madison Ave
Tuesday, April 28 th	on streets west of west of Main Street
Wednesday, April 29 th	on streets west of Madison Ave
Thursday, April 30 th	on streets east of Main Street
Friday, may 1 st	on streets east of North Ave

In order to ensure that storm drain systems continue to work properly and do not become plugged with leaves and brush, the Skowhegan Public Works Department will pick up leaves on all streets that have curbing and storm drainage systems. If you live on one of these streets, your leaves and brush should be separated and raked out beyond to the edge of the road but not so far as to impede traffic. Residents may also dispose of leaves by taking them to the Town's Transfer Station facility for composting. If you have any questions, please call 474-6911. Thank you for your cooperation.

We will continue to pick up leaves and brush with this schedule as long as the weather permits.
